

BARCODE

Directions: Take one to two capsules per day, or as directed by your healthcare practitioner.

Saccharomycin DF™ is a lactose free, stomach acid-resistant, Europe patent pending formula containing DNA-verified *Saccharomyces boulardii* (Sb). This antibiotic-resistant probiotic yeast protects healthy intestinal bacteria from a variety of foreign microbes, supports intestinal wall integrity and the body's immune and anti-inflammatory responses, and counteracts toxins released by certain bacteria. For best results, use under supervision of a healthcare practitioner.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTION: Not for use by infants under six months of age. Do not use if you have been diagnosed with immunosuppression or are taking immunosuppressants. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place. Does not require refrigeration.

DOES NOT CONTAIN: Wheat, gluten, corn protein, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
