Distributed by BJWC, 25 Research Drive, Westborough, MA 01581
Fish Oil Country of Origin is Peru. Tested and encapsulated in U.S.A.

Our Guarantee:
We are committed to the quality of our products. If for any reason you are not satisfied with your purchase, please return it to the place of purchase. If you have any questions or comments, contact us weekdays 9am-5pm EST at: 1-800-934-1204

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. (See nutrition information for total fat, saturated fat and cholesterol content.)

The enteric coating reduces the fishy odor and after taste by protecting the softgel until it passes the stomach.

SUGGESTED USE: Take two softgels daily, with a full glass of water, preferably after a meal.

CAUTION: If you are pregnant or nursing, or taking medication, facing surgery, have bleeding problems, undergoing any other treatment which may affect the ability of blood to clot, consult your physician before taking this product.

Berkley & Jensen Fish Oil supply comes from deep ocean waters. Our fish oil is not supplied from farm raised fish. State-of-the-art purification processes are used to remove PCBs, dioxins and furans, and mercury to ensure purity levels below 0.09 ppm, 2 ppt WHO TEQs, and 0.1 ppm respectively.
