

BARCODE

Directions: Take one capsule twice daily, or as directed by your healthcare practitioner.

Oraxinol™ is an innovative blend of standardized RosemarinX™ and Berr-X™ ORAC botanicals. ORAC [Oxygen Radical Absorbance Capacity] was developed by the National Institute of Aging and standardized by the U.S.D.A. ORAC is a measurement of antioxidants found in fruits and vegetables. The U.S.D.A. has found 5-9 servings of fruits and vegetables provide an average level of 6000 T.E. [trolox equivalents] required to minimize the effects free radicals may have on the aging process. Oraxinol™ helps to bridge the gap between the recommended and actual daily consumption of fruits and vegetables.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

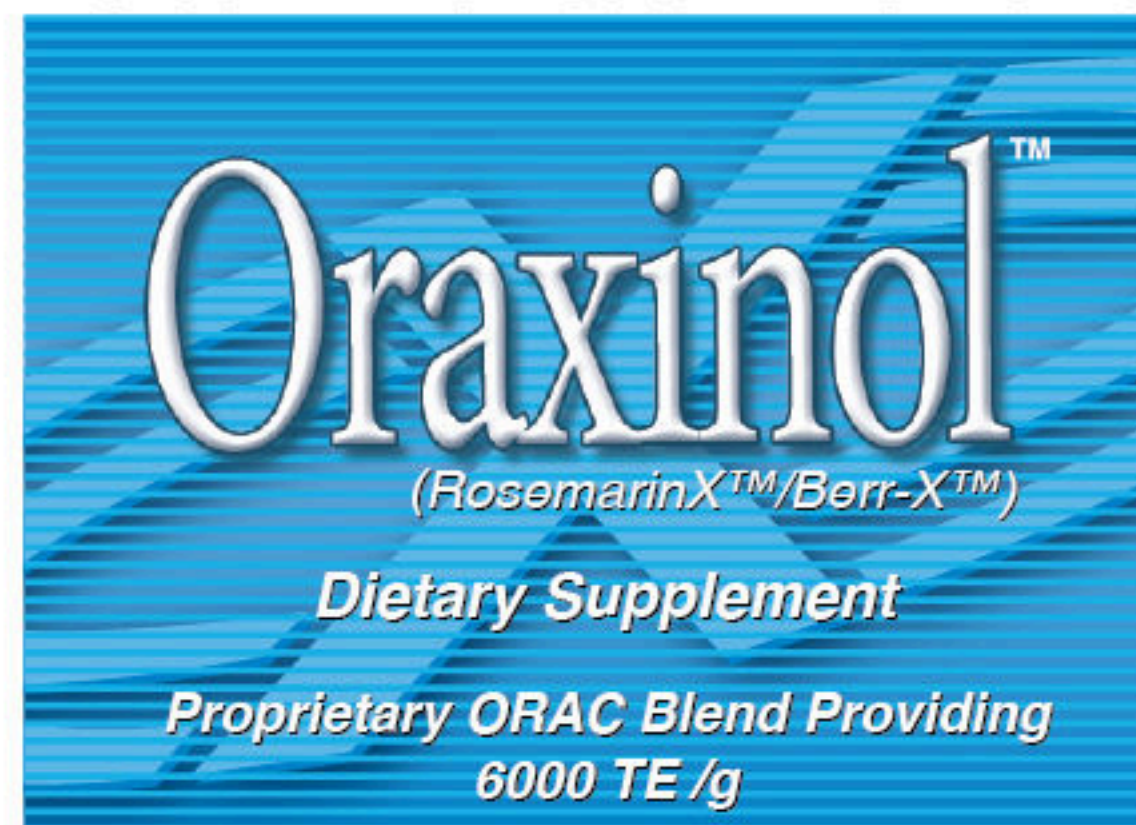

CAUTION: Consult your healthcare practitioner before use. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
