

Expiration Date:

Super C22 contains Vitamin C plus the electrolytes potassium, calcium and magnesium. This breakthrough Vitamin C formula helps to support immune function, neutralize free radicals, restore energy, relieve everyday stress and support vital systems. For ultimate antioxidant protection, this delicious liquid supplement combines 22 forms of Vitamin C with high-grade minerals and bioflavonoids so that when you mix it with water the nutrients are immediately absorbed into your body.

Directions: Put 8 grams (one rounded teaspoon) of Super C22 powder in a glass of water or juice. Stir well until powder has dissolved. Store in a cool, dry place.
