

LipidEnz™ is uniquely formulated with a proprietary blend of high potency enzymes, including pHysioProtease™, and chromium plus synergistic herbal extracts and plant concentrates to assist in metabolism of lipids (fats).* The highly purified enzymes in this formula are concentrated from mycological sources specifically cultivated for optimum digestive activity in the human body.

Recommended Usage: One (1) capsule two times per day on an empty stomach (a minimum of one hour prior to a meal and two hours after a meal), or more may be taken as indicated by your doctor.

Store tightly sealed in a cool, dry place.
Keep out of reach of children.
