

DIRECTIONS: Take one to two capsules, one to two times daily, or as directed by your healthcare practitioner.

Candididal™ offers a complementary blend of herbs, essential oils, and sodium caprylate, a naturally occurring fatty acid. Candididal is formulated to support the body's immune response to potentially pathogenic microbials. Overgrowth of yeast species can cause an imbalance in the body's gastrointestinal (GI) flora. This comprehensive formula contains Origanox™† WS—a GRAS, phenolic-rich ingredient extracted from the edible herb *Origanum vulgare* for antioxidant support—and carminative herbs to support digestion and reduce occasional intestinal gas and nausea.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use, especially if receiving cancer treatment or taking an anticoagulant. Keep out of reach of children. Do not use if you are pregnant or allergic to any ingredient.

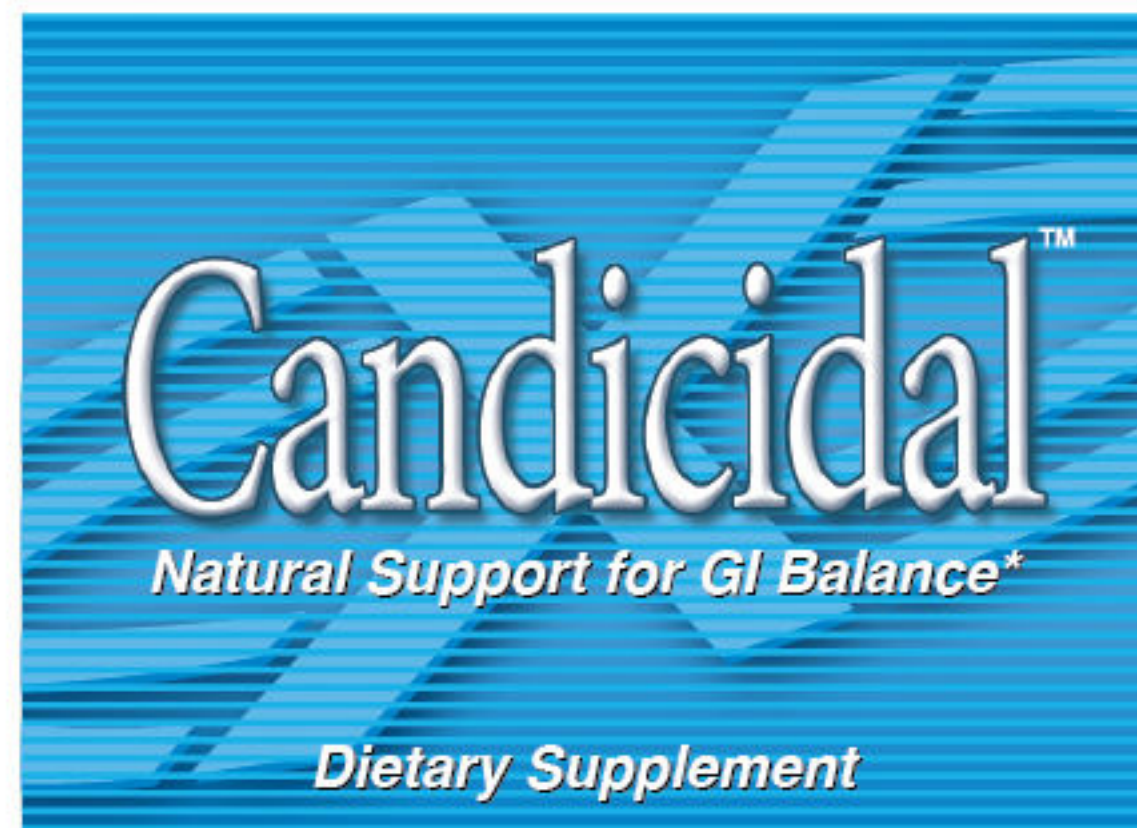

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
