

Directions: Take two to four capsules twice daily or as directed by your healthcare provider.

CheleX™ is an extraordinary combination of nutrients and antioxidants that may aid in the body's removal of heavy metals. This all natural formula features unique and therapeutic ingredients designed to safely and effectively maintain proper systemic heavy metal removal.

DMSA and EDTA are able to chelate heavy metals safely and effectively. Cilantro and Chlorella aid in the effective clearance of those heavy metals and the antioxidants N-Acetyl Cysteine and Lipoic Acid provide protection during that clearance.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTION: Do not take if pregnant or lactating. Do not take if currently taking any prescription medication or receiving medical treatment without consulting your physician. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, dairy products, artificial colors, sweeteners, or preservatives.
