

BARCODE

Directions: Take one or more capsules at the beginning of or with a meal/snack, or use as directed. If necessary, capsules may be opened and contents sprinkled over food.

XymoZyme™ is the most potent, non-prescription, cost-effective, broad spectrum, non-animal derived, digestive enzyme formula on the market. Each capsule is packed to the maximum with lipase, proteases, lactase, and alpha galactosidase. The formula also contains dipeptidyl peptidase IV for assistance in digesting gluten. Unlike porcine pancreatin, which only works in a narrow pH, XymoZyme™ works in a wide range of pH.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Avoid if allergic to pineapple, papaya, aspergillus, or any other ingredient.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy, dairy products, artificial colors, sweeteners, or preservatives.

Maltodextrin (derived from corn) is used to standardize enzyme activity.

Dietary Supplement

**Acid Resistant, Vegan Suitable
Digestive Enzymes**

**Pharmaceutical Grade • Professional Use Only
90 Vegetable Capsules**

Supplement Facts

Serving Size: 1 Capsule
Servings Per Container: 90

	Amount Per Serving	%DV*
Protease (pH 2.5-5.0)	25 SAP	**
Alpha-Galactosidase	1,000 GAL	**
Amyloglucosidase (Glucoamylase)	30 AG	**
Beta-Glucanase	50 BGU	**
Bromelain (from pineapple)	1,745,000 PU	**
Cellulase	5,000 CU	**
Amylase	12,000 SKB	**
Lactase	9,000 ALU	**
Protease (pH 3.0-6.0)	100,000 HUT	**
Hemicellulase	2,000 HCU	**
Lipase	10,000 FIP	**
Peptidase	1,200 HUT	**
Invertase	1,000 Sumner	**
Papain (from papaya)	33,000 TU	**
Pectinase	35 Endo PG	**
Phytase	10 U	**
Xylanase	150 XU	**

*Daily Value

**Daily Value not established.

Other Ingredients: Vegetable Capsule (HPMC, water), microcrystalline cellulose, magnesium stearate.

All XYMOGEN® Formulas Meet or Exceed cGMP Quality Standards.
