

DIRECTIONS: Take one to two tablets one to two times daily, or as directed by your healthcare practitioner.

S-Acetyl Glutathione is a patent-pending, odor-free, tasteless, oral, acetylated form of glutathione that is stable throughout the digestive tract and is well-absorbed. Study has confirmed that S-Acetyl Glutathione increased intracellular glutathione and had a positive effect on many oxidative stress biomarkers.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
