

Directions: Take one to two capsules per day, or as directed by your healthcare practitioner.

Developed by Dr. David Perlmutter, **Nrf2 Activator™**'s exclusive formula is designed to activate the Nrf2 genetic pathway which regulates the production of important antioxidants including glutathione and superoxide dismutase (SOD), detoxification enzymes including glutathione S-transferase, while downregulating inflammatory factors including NF-kB. Each of the ingredients in this product is backed by extensive research in peer-reviewed journals.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTION: Consult with your healthcare practitioner before use. If receiving cancer treatment, check with your treating physician. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
