

Directions: Take 1-2 capsules daily or as directed by your healthcare practitioner.

L-Theanine is a naturally-occurring, unique amino acid found in green tea leaves. XYMOGEN®'s L-Theanine™, SunTheanine® is protected by over 40 patents. L-theanine may promote a sense of physical relaxation, mental alertness and mental well-being by reducing feelings of stress and anxiety. Research with human subjects suggests L-theanine may also be useful to improve learning performance, promote concentration and reduce negative side effects of caffeine.*
