

BARCODE

Directions: Swallow with water 20 minutes before bedtime.

XYMOGEN® introduces the new **Melatonin CR**. This biphasic delivery system releases melatonin quickly and then steadily to help you fall asleep fast and stay asleep all night. The body naturally releases melatonin in response to changes in light, with melatonin levels rising at night. It is in this way that melatonin helps promote sleep.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

WARNING: You may experience some residual drowsiness. If you are under medical supervision or are using any tranquilizers or sedatives, seek advice of your healthcare professional prior to using. Consult your physician before using if you have an autoimmune condition or depressive disorder or are pregnant or lactating. Not for use by children under 12 years of age. Do not take when operating machinery or driving a vehicle.

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Yeast, wheat, corn, milk, egg, soy, glutens, artificial colors or flavors, added sugar, starch or preservatives.
