

DIRECTIONS: Take one to two capsules at bedtime with 8 oz of water, or as directed by your healthcare practitioner.

ColonX™ provides a complex of nutrients and herbs designed to promote gastrointestinal (GI) regularity and complement dietary fiber intake.*

Magnesium is a macromineral with a wide range of functions in the body. Its effect on muscle relaxation provides effective and regular bowel elimination. Cape Aloe, indigenous to the Cape region of South Africa, is added to promote increased GI transit time and stool bulk. Triphala (three fruits) is a balanced blend of astringent fruits used extensively in Ayurveda. This blend is designed to support all phases of digestion, assimilation, and elimination.*

Gastrointestinal regularity serves a fundamental role in detoxification and biotransformation, providing a major route for elimination of toxins. ColonX offers significant support to this indispensable function.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient. Avoid use if you have signs or symptoms of acute hepatitis. Discontinue use if diarrhea or abdominal pain develops. **DO NOT USE IF PREGNANT;** consult your healthcare professional if nursing. Intended for short-term use only.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
