

BARCODE

DIRECTIONS: Take one to two softgels daily, or as directed by your healthcare practitioner.

Ubiquinol is the bioactive, antioxidant form of CoQ10 that neutralizes free radicals and toxic superoxides, and protects cell membranes from lipid peroxidation. The patented, lipid-stabilized form of ubiquinol in **CoQmax Ubiquinol™** has proven bioavailability, achieving higher levels of serum CoQ10 with a fraction of the dose required for regular CoQ10 supplements. Ubiquinol, representing over 90% of total body CoQ10, is efficiently converted to the energy-generating ubiquinone form as the body needs it.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

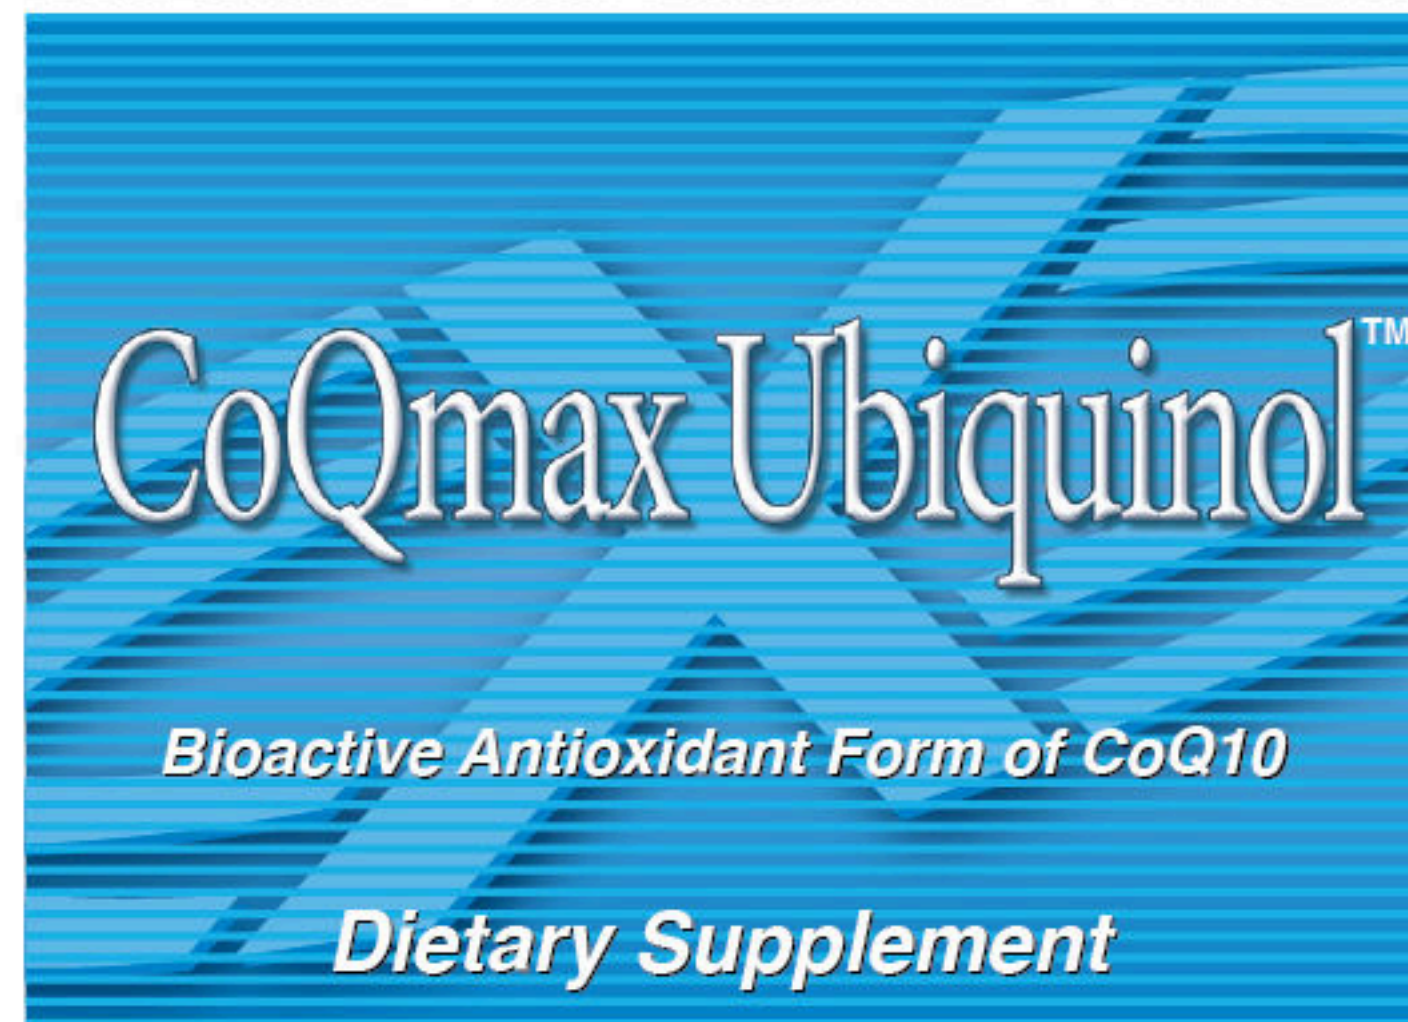

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, dairy products, artificial colors, artificial sweeteners, or preservatives.
