

Directions: Swallow one to two softgels with water daily, or as directed by your healthcare practitioner.

This ultra pure, molecularly distilled oil from anchovies and sardines contains one of the highest concentrations of eicosapentaenoic acid (EPA) available, with one softgel meeting the ISSFAL recommendation of 650 mg omega-3 per day. EPA is a conditionally essential fatty acid. **OmegaPure EPA™**, like all of XYMOGEN®'s OmegaPure oils, is third party tested for purity and freshness.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTION: Consult your healthcare practitioner before use especially if you are pregnant, using blood-thinning herbs or drugs, or anticipating surgery. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy protein, dairy products, artificial colors, sweeteners, or preservatives.
