

**Directions:** Take one or two softgels one to three times daily, or as directed by your healthcare practitioner.

**OmegaPure 300 EC™** is a molecularly distilled, pure, natural fish oil (triglyceride) providing 300 mg of omega-3 essential fatty acids per softgel. Due to the variation of EPA and DHA content among catches of fish, the amounts of these fatty acids in the oil may vary slightly. Mixed tocopherols are present to maximize freshness.\*

Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**CAUTION:** Consult with your healthcare practitioner before use. Keep out of reach of children.

**STORAGE:** Keep tightly closed in a cool, dry place.

**DOES NOT CONTAIN:** Wheat, gluten, corn protein, yeast, soy protein, dairy products, artificial colors, sweeteners, or preservatives.
