

BARCODE

DIRECTIONS: Take one or two softgels, one to three times daily, or as directed by your healthcare practitioner.

OmegaPure 820™ is an ultra-pure fish oil sourced from Norway. This highly concentrated natural oil provides 820 mg of omega-3 essential fatty acids per softgel. To assure maximum freshness, the oil is stabilized with vitamin E (as mixed tocopherols), is molecularly distilled, and is independently verified to be free of PCBs, heavy metals, and pesticides. EPA and DHA from fish oil promote cardiovascular health by supporting optimal triglyceride and cholesterol levels, by reducing platelet aggregation. Fish oil has also been shown to promote optimal joint function and healthy brain and nervous system function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place.

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy protein, dairy products, artificial colors, sweeteners, or preservatives.
