

Isotonix® digestive enzymes

Provides enzymes that promote the absorption of nutrients†

Supports normal digestion†

Supports a healthy digestive tract†

Promotes stomach comfort†

might-a-mins® spectrum

Weight: 300 g (10.6 oz.)
An Isotonic-Capable Dietary Supplement

Directions for use: For children 2 and older, pour 1 level, white bottle capful of powder into the overcap. Add water to the line on the overcap (60 ml/2 fl. oz.) and stir. As a dietary supplement, take with each meal, 3 times per day, or as directed by your physician. Additional servings may be taken if necessary. This product is isotonic only if the specified amounts of powder and water are used.

Warning: If you are currently taking anticonvulsants, antibiotics, anti-coagulant/antiplatelet drugs or any other prescription medications, or have an ongoing medical condition, you should consult your physician before using this product. Women who are pregnant or nursing should not take this product.

KEEP OUT OF THE REACH OF CHILDREN. Store in a cool, dry place. Do not use if safety seal is broken or missing.
