Keep refrigerated or frozen to maintain potency.

Kauai Organic Farms is a family owned and operated farm on the North Shore of Kauai. Kauai is known as the Garden Island of Hawaii, offering nutrient rich soils, sunshine and a constant supply of fresh rainwater from the lush mountains of the island. It has proven to be the ideal location for growing certified Organic Ginger which MegaFood is proud to deliver to you in this product. "We farm organically because it's simply a better way to farm and we keep chemicals out of the ground water. At the end of the day we have confidence we are using the best farming methods to preserve this beautiful island we call home," say Phil and Linda Green, owners of Kauai Organic Farms.

Probiotics are a top recommended supplement for expectant moms. This product contains a broad spectrum of probiotics, FoodState® Ginger and prebiotics to promote the health and well-being of pregnant and breastfeeding women.* Probiotics support nutrient absorption which benefits baby too.* Studies have shown that mothers who increase their probiotic intake during pregnancy, specifically of *Lactobacillus rhamnosus* (HN001), reduce their child's risk of developing allergies by as much as 50%.* FoodState Ginger gently supports digestive function.* Our signature MegaFlora® blend offers digestive and immune system support.* Prebiotic foods, Beet and Dandelion Root, nourish the microbiome, digestive system and feminine health.*
