Supplement Facts

Serving Size 9 Tablets (per day) • Servings Per Container 35

| Amount Per Serving                                                                                                                | % Daily Value       |
|-----------------------------------------------------------------------------------------------------------------------------------|---------------------|
| Vitamin A (as Betatene® natural beta-carotene from dunaliella and acetate)                                                        | 5000 IU..... 100%   |
| Vitamin C (as calcium ascorbate, ascorbic acid, ascorbyl palmitate, magnesium ascorbate, nicotinamide ascorbate, acerola extract) | 2000 mg..... 3333%  |
| Vitamin D3 (as cholecalciferol)                                                                                                   | 2000 IU..... 500%   |
| Vitamin E (as D-alpha tocopheryl succinate and D-alpha tocopherol)                                                                | 100 IU..... 333%    |
| Thiamine (Vitamin B1) (as thiamine HCl)                                                                                           | 125 mg..... 8333%   |
| Riboflavin (Vitamin B2) (as riboflavin and riboflavin 5-phosphate)                                                                | 50 mg..... 2941%    |
| Niacin (as 33% niacinamide, 36% niacin, 9% niacinamide ascorbate)                                                                 | 190 mg..... 950%    |
| Vitamin B6 (as pyridoxal 5-phosphate (100 mg) and pyridoxine HCl (5 mg))                                                          | 105 mg..... 5250%   |
| Folate from lemon extract (peel)                                                                                                  | 400 mcg..... 100%   |
| Vitamin B12 (as methylcobalamin)                                                                                                  | 600 mcg..... 10000% |
| Biotin                                                                                                                            | 3000 mcg..... 1000% |
| Pantothenic acid (as D-calcium pantothenate with 5 mg pantothenol)                                                                | 6000 mcg..... 6000% |
| Calcium (as Ca ascorbate, D-calcium pantothenate, Ca D-gluconate)                                                                 | 218 mg..... 22%     |
| Iodine (as potassium iodide)                                                                                                      | 150 mcg..... 100%   |
| Magnesium (as magnesium oxide, citrate, glycinate, taurinate, arginate, ascorbate)                                                | 400 mg..... 100%    |
| Zinc (as zinc citrate, OptiZinc® zinc monomethionine)                                                                             | 35 mg..... 233%     |
| Selenium (as 50% Se-Methyl L-Selenocysteine, 25% L-selenomethionine (yeast free) (SelenoPure™), 25% sodium selenite)              | 200 mcg..... 286%   |
| Copper (as TRAACS® copper bisglycinate chelate)                                                                                   | 1 mg..... 50%       |
| Manganese (as manganese gluconate)                                                                                                | 1 mg..... 50%       |
| Chromium (as Cromiumex® 3+ chromium stabilized with Capros® anita extract (fruit) and PrimaVie® Shilajit)                         | 500 mcg..... 417%   |
| Molybdenum (as sodium molybdate)                                                                                                  | 125 mcg..... 167%   |
| Potassium (as potassium chloride)                                                                                                 | 37.4 mg..... 1%     |
| N-Acetyl-L-cysteine (NAC)                                                                                                         | 600 mg..... **      |
| Taurine                                                                                                                           | 200 mg..... **      |
| Inositol                                                                                                                          | 250 mg..... **      |
| Phosphatidylcholine (from soy)                                                                                                    | 150 mg..... **      |
| Choline (as choline bitartrate)                                                                                                   | 100 mg..... **      |
| Boron (as Albion® bororganic glycine)                                                                                             | 3 mg..... **        |
| Trimethylglycine (TMG) (as betaine anhydrous)                                                                                     | 100 mg..... **      |
| Citrus bioflavonoid complex bitter orange (peel and fruit) (std. to 50% hesperidin (100mg))                                       | 200 mg..... **      |
| Broccoli concentrate blend (broccoli extracts (plant and sprout), calcium D-glucarate (providing glucosinolates, sulforaphane))   | 725 mg..... **      |
| Decaffeinated green tea extract (leaf) (standardized to 45% epigallocatechin gallate (EGCG) (146.25 mg))                          | 325 mg..... **      |
| Acerola extract 4:1 (berry)                                                                                                       | 300 mg..... **      |
| Fruityberry complex (proprietary blend of blackberry, blueberry, cherry, cranberry, elderberry, persimmon, prune powders)         | 200 mg..... **      |
| Wild blueberry anthocyanin extract (fruit)                                                                                        | 150 mg..... **      |
| Milk thistle extract (seeds) (std. to 85% silymarin (85 mg))                                                                      | 100 mg..... **      |
| Maqui berry (Aristobella chilensis) anthocyanin extract (fruit)                                                                   | 100 mg..... **      |
| CherryPure® tart cherry (Prunus cerasus) proanthocyanidin extract (skin)                                                          | 85 mg..... **       |
| POMELLA® pomegranate extract (fruit) (std. to 30% punicalagin (25.5 mg))                                                          | 85 mg..... **       |
| Natural mixed tocopherols (providing gamma, delta, alpha, beta tocopherols)                                                       | 60 mg..... **       |
| MirtoSelect® bilberry extract (fruit)                                                                                             | 30 mg..... **       |
| Leucoslect® grape seed proanthocyanidin extract (whole grapes)                                                                    | 25 mg..... **       |
| BioVin® grape proanthocyanidin extract (juice grapes)                                                                             | 25 mg..... **       |
| Bromelain (from pineapple) (stem) (2400 pepsin digestive units/gram)                                                              | 15 mg..... **       |
| Delphinidin (from Delphinol® maqui berry (Aristobella chilensis) extract)                                                         | 2 mg..... **        |
| Lutein from marigold extract (flower) (providing 465 mcg trans-zeaxanthin)                                                        | 13 mg..... **       |
| Olive juice extract (fruit)                                                                                                       | 12.5 mg..... **     |
| (providing polyphenols, hydroxytyrosol, tyrosol and oleuropein)                                                                   | 10 mg..... **       |
| Sesame seed lignan extract                                                                                                        | 8 mg..... **        |
| Luteolin (from orange extract (fruit))                                                                                            | 3 mg..... **        |
| Lycopene from Tomat-O-Red® natural tomato extract (fruit)                                                                         | 1.25 mg..... **     |
| Cyanidin-3-glucoside (C3G) (from black currant extract (fruit))                                                                   | 0.5 mg..... **      |
| trans-Pterostilbene (from pterPure™)                                                                                              | 0.5 mg..... **      |
| NIAGEN® Nicotinamide Riboside                                                                                                     | 2 mg..... **        |

\*\*Daily Value not established.

DIRECTIONS: Take nine (9) tablets per day in divided doses with meals, or as recommended by a healthcare practitioner.

CAUTION: Temporary flushing, itching, rash, or gastric disturbances may occur. Liver function testing is recommended when niacin is taken in excess of 500 mg daily. Those with gout or liver diseases should avoid taking high doses of niacin. Consult with your doctor before using this product if you are taking anticoagulant medications. Individuals consuming more than 2,000 IU/day of vitamin D (from diet and supplements) should periodically obtain a serum 25-hydroxy vitamin D measurement. Vitamin D supplementation is not recommended for individuals with high blood calcium levels. Individuals with in-born errors of copper metabolism (e.g. Wilson's disease) should avoid daily, chronic use of this product.
