

Doctor's Best Synergistic Glucosamine/MSM Formula supplies several building blocks for healthy joints and connective tissue. Glucosamine sulfate helps develop cartilage for joint lubrication and better joint movement and flexibility.* MSM supplies bioavailable sulfur needed for joints and connective tissue. OptiMSM® is purified via distillation for highest purity and consistency and is an excellent source of sulfur. Vitamin C is essential for the production of collagen, a protein that gives strength to cartilage.*

Glucosamine Sulfate helps support normal, healthy joint function and helps maintain healthy cartilage in joints.*

MSM helps support organ and joint function by donating sulfur for maintenance of healthy connective tissue.*

Vitamin C helps in the production of collagen.*
