Omega-3 fatty acids are beneficial for joint and heart health, as well as healthy circulation.*

◇Our formula contains a super high concentration of 70% Omega-3 fatty acids, providing 950 mg from 1360 mg of fish oil. While regular strength fish oils typically contain 300 mg of Omega-3s from 1000 mg of fish oil, our formula undergoes additional purification steps to concentrate these essential fats while removing unwanted compounds.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
