THE SCIENCE

PRODUCT INFO

THE NATURAL WAY TO SUPPORT COGNITIVE PERFORMANCE WITHOUT DISRUPTING SLEEP

A clinical trial shows individuals who took 900mg Neumentix™ showed a 15% improvement in quality of working memory. Individuals who took Neumentix™ also showed a 9% improvement in accuracy in spatial working memory and reported getting to sleep easier and faster at night in comparison with subjects who took a placebo.

Neumentix™ administered once a day has shown to be safe support for cognitive performance including overall working memory, multi-tasking, and short-term memory.
