product info

Read the entire label and follow the directions carefully prior to use.  
**DIRECTIONS:** Take one (1) tablet daily with meals,  
or as recommended by a healthcare practitioner.

**CAUTION:** Individuals consuming more than 2,000 IU/day  
of vitamin D (from diet and supplements) should periodically  
obtain a serum 25-hydroxy vitamin D measurement. Vitamin  
D supplementation is not recommended for individuals with  
high blood calcium levels.

Store tightly closed in a cool, dry place.

**WARNINGS:**

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult  
with your physician if you are undergoing treatment  
for a medical condition or if you are pregnant or  
lactating.

#### Supplement Facts

| Amount Per Serving                                                                                       | % Daily Value |
|----------------------------------------------------------------------------------------------------------|---------------|
| Serving Size 1 Tablet                                                                                    |               |
| Vitamin A (as beta-carotene and acetate)                                                                 | 5000 IU 100%  |
| Vitamin C (as ascorbic acid, niacinamide and calcium ascorbates)                                         | 500 mg 833%   |
| Vitamin D3 (as cholecalciferol)                                                                          | 2000 IU 500%  |
| Vitamin E (as D-alpha tocopheryl succinate, D-alpha tocopherol)                                          | 100 IU 333%   |
| Thiamine (vitamin B1) (as thiamine HCl)                                                                  | 75 mg 5000%   |
| Riboflavin (vitamin B2) (as riboflavin and riboflavin 5'-phosphate)                                      | 50 mg 2941%   |
| Niacin (as niacinamide ascorbate)                                                                        | 50 mg 250%    |
| Vitamin B6 (as pyridoxine HCl, pyridoxal 5'-phosphate)                                                   | 75 mg 3750%   |
| Folate [from lemon extract (peel)]                                                                       | 400 mcg 100%  |
| Vitamin B12 (as methylcobalamin)                                                                         | 300 mcg 5000% |
| Biotin                                                                                                   | 300 mcg 100%  |
| Pantothenic acid (as D-calcium pantothenate)                                                             | 100 mg 1000%  |
| Calcium (as dicalcium phosphate, Ca ascorbate, D-calcium pantothenate)                                   | 43 mg 4%      |
| Iodine (from kelp)                                                                                       | 150 mcg 100%  |
| Magnesium (as magnesium oxide)                                                                           | 100 mg 25%    |
| Zinc (as zinc citrate, OptiZinc® zinc monomethionine)                                                    | 30 mg 200%    |
| Selenium [as Se-Methyl L-Selenocysteine, L-selenomethionine (yeast free) (SelenoPure™), sodium selenite] | 200 mcg 286%  |
| Manganese (as manganese gluconate)                                                                       | 2 mg 100%     |
| Chromium (as Chrominex® 3+ chromium stabilized with Capros® amla extract (fruit) and PrimaVie® Shilajit) | 200 mcg 167%  |
| Molybdenum (as molybdenum amino acid chelate)                                                            | 100 mcg 133%  |
| Potassium (as potassium citrate)                                                                         | 25 mg 1%      |
| Alpha lipolic acid                                                                                       | 25 mg **      |
| Boron (as Albion® bororganic glycine)                                                                    | 3 mg **       |
| Choline (as choline bitartrate)                                                                          | 20 mg **      |
| Inositol                                                                                                 | 50 mg **      |
| Marigold extract (flowers)<br>(std. to 5 mg <i>trans</i> -lutein and 155 mcg <i>trans</i> -zeaxanthin)   | 11.12 mg **   |
| Lycopene [from Tomat-O-Red® natural tomato extract (fruit)]                                              | 2 mg **       |
| Natural mixed tocopherols (providing gamma, delta, alpha, beta)                                          | 20 mg **      |
| NIAGEN® Nicotinamide Riboside                                                                            | 1 mg **       |
