

SUGGESTED USE: As a dietary supplement, take 1 capsule 45 minutes prior to workout.

Warnings: Do not use if you are pregnant or nursing. Not intended for any persons under the age of 18. Seek the advice of your healthcare professional if you have any medical condition or are taking any medications. Discontinue use if you are experiencing any side-effects.

Keep lid tightly closed in a cool, dry place away from children.

Kre-Alkalyn® EFX PRO represents the next level of drug-free performance-enhancing supplementation. By combining multi-patented and award-winning Kre-Alkalyn® EFX creatine with our newest technology, Kre-Alkaloid™ Neuromodulating matrix, you are sure to unlock your true potential and push past all previous limits faster than ever before.*

**It's not how much you take,
it's how much you absorb.**

pH-Xact™ delivery technology ensures optimal bio-availability of our formulas by giving them the precise pH levels necessary to rapidly shuttle nutrients to the bloodstream with maximum potency.

SO, YOU WANT TO TAKE YOUR TRAINING INTENSITY AND PERFORMANCE TO THE NEXT LEVEL?

Listen, I didn't put my name on this product just so you will buy it. I believe what you are now holding is the next generation in performance enhancement. I actually use it every day before I hit the gym. At my level, it takes something extra special to get the job done...and Kre-Alkalyn® EFX PRO is the right tool for the job.

It gives me incredible pumps and amazing strength during every workout. It also helps me dial in the extreme focus I need to push harder and harder through each set.

The All American EFX team worked extremely hard to make this a product that delivers every time without bloating, side effects and the nasty "crash" you get with typical energy drinks and pre-workout formulas. The bottom line: Our team is on a mission to create the very finest drug-free options available on the market today. Now that you have a choice...won't you join us?
