

Suggested Usage: Take 2 softgels 1 to 3 times daily.

Royal Jelly is a natural honeybee product that is used in the nutrition of immature and adult queen bees. Royal Jelly has a complex nutritional profile that includes nucleotides, polyphenols, and unique organic acids. It has been used traditionally since ancient times as a health tonic.

Caution: For adults only. Individuals who are allergic to bees, bee products, or bee pollen should not take this product. Not recommended for pregnant or nursing women. Consult physician if taking medication or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

Naturally occurring particulates may be visible in the royal jelly.

Natural color variation may occur in this product.
