

HYDRAVAX is a powerful and effective **ONE DOSE DAILY** - high potency diuretic designed to help shed excess water. HYDRAVAX is physician formulated, using the highest quality ingredients that have passed through our vigorous high standards. HYDRAVAX is perfect for individuals who want to lose undesirable water weight and bloating due to environmental (i.e. air travel), dietary and hormonal conditions.

Assists in removing unnecessary water weight*

Expels water with strong urinary astringents*

Helps prevent muscle cramping*

Helps prevent "bounce-back" water weight gain*

WARNING: Not intended for use by persons under 18. Do not exceed recommended dosage per day, doing so will not improve results and will result in adverse health effects. Not to be used by pregnant or nursing women or person(s) who have a pre-existing health condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart/kidney/liver/thyroid disease, seizure disorder, psychiatric issues, diabetes, stimulant sensitivity or allergies, prostate inflammation, or while taking any other medication (such as, but not limited to: MAO-inhibitor or SSRI's). If you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or similar symptoms, discontinue use immediately and call a health care professional. Do to dietary supplement restrictions that are found in some professional sports organizations, we recommend that you first consult that organization before taking Hydrex.

ALLERGEN WARNING: Manufactured in a plant that also processes egg, soy, peanut, tree nut, fish, crustaceans/shellfish, and wheat products.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Store product at room temperature. Do not expose to excessive heat or moisture.

DIRECTIONS: Due to the strength of HYDRAVAX, please assess your tolerance by initially taking only 1 capsule upon awakening for the first 3 days. After assessment, to ensure fast and easy water weight loss, take 1-2 capsules in the AM. During special occasions or contest preparation, where short term and rapid water weight loss is needed, take 3 capsules in the AM. Do not exceed 3 capsules daily. Drink at least 6 to 8 glasses of water daily to stay properly hydrated when using HYDRAVAX. Only Synedrex, Phenolox and Thyrene may be combined with HYDRAVAX for a more customized weight loss solution.
