Lundberg Family Farms

produces high-quality organic products, a Lundberg family passion that has spanned over 75 years and more than three generations. They grow their rice sustainably with farming practices that conserve water resources, build soil integrity, and support a healthier ecosystem. They pride themselves on making great-tasting organic products that are good for you and the environment.

MegaFood cares about doing things the right way - we refuse to take shortcuts, and we never compromise on quality or the things that matter. Since 1973, we have been going out of our way to source fresh and local foods from trusted farmers such as Lundberg Family Farms. We then make our FoodState Nutrients™ and wholesome supplements using our Slo-Food Process™ to deliver the most authentic nutrition - much more than vitamins alone.

MegaFood will donate a portion of the profit from the sale of this product to Farm Aid. To learn more visit megafood.com/lundberg.
