

PepZin GI® is a complex of the mineral zinc and L-carnosine, bound together to provide unique benefits. The proprietary chelation process used to produce PepZin GI® provides long lasting support for healthy gastric function. It promotes healthy mucus secretions from stomach cells and helps maintain a beneficial bacterial balance in the GI tract.*

Helps relieve occasional gastric discomfort*

Helps maintain a healthy GI environment*

Helps support the health of gastric cells*

Helps maintain healthy mucosal lining*
