

NEW LOOK | IMPROVED FORMULA

Now with a blend of enzymes to help break down foods and promote healthy digestion.*

Schiff® Digestive Advantage® targets your specific digestive health needs and, with continued use, gives you long-term digestive support.* That's because **Digestive Advantage®** contains BC³⁰, a natural probiotic that survives 10x better than yogurt to deliver good bacteria where you need it.†

Digestive Advantage® Intensive Bowel Support defends against occasional gas, bloating, abdominal discomfort and diarrhea.* Studies show that BC³⁰ probiotics and digestive enzymes break down proteins, carbohydrates and fats to aid the digestive process.*

Probiotics are beneficial bacteria that live in your digestive tract and promote digestive and immune health.* Other probiotics don't survive the harsh acidic stomach environment. Because **Digestive Advantage®**

Intensive Bowel Support reaches your intestines alive, it is able to provide digestive and immune health benefits where you need them.*

Enjoy the Benefits

- Helps defend against gas, bloating and occasional diarrhea*
- Relieves occasional abdominal discomfort*
- Promotes long-term digestive health with continued use*
- Just one capsule daily

U.S. patents 6,461,607 & 6,849,256. International patents pending.

Schiff

Digestive Advantage

Intensive Bowel Support*

Survives 10x Better*

Studies reveal that the single strain of probiotic used in Schiff® Digestive Advantage® survives 10x better than other probiotics and yogurts to deliver good bacteria where you need it.†

GUARANTEED: No added sugar (sucrose, fructose, lactose), salt (sodium chloride) or yeast. No preservatives or artificial flavors.

GUARANTEED: For purity, freshness and labelled potency.

† Based on median % survivability of Digestive Advantage® vs. probiotic supplements and 20 probiotic yogurts in simulated gastric pH for 2 hours. Survivability and delivery of probiotic cells to the small & large intestines is one of several factors influencing overall product effect.
