

NEW LOOK | SAME GREAT PRODUCT

Schiff® Digestive Advantage® targets your specific digestive health needs and, with continued use, gives you long-term digestive support.* That's because **Digestive Advantage®** contains BC³⁰, a natural probiotic that survives 10x better than yogurt to deliver good bacteria where you need it.†

Digestive Advantage® Gas Defense Formula provides two powerful ingredients to support your digestive health – enzymes to help reduce gas before it starts by aiding in the breakdown of complex carbohydrates in beans, grains and certain vegetables; and BC³⁰, a natural probiotic to help defend against digestive upsets and bloating.*

Probiotics are beneficial bacteria that live in your digestive tract and promote digestive and immune health.* Many other probiotics don't survive the harsh acidic stomach environment. Because **Digestive Advantage® Gas Defense Formula** reaches your intestines alive, it is able to provide digestive and immune health benefits where you need them.*

Enjoy the Benefits

- Helps stop intestinal gas before it starts*
- Fast-Acting
- Promotes long-term digestive health with continued use*
- Just one capsule daily

Schiff

Digestive Advantage

Gas Defense Formula*

Survives 10x Better†

Studies reveal that the single strain of probiotic used in Schiff® Digestive Advantage® survives 10x better than other probiotics and yogurts to deliver good bacteria where you need it.†

GUARANTEED: No added sugar (sucrose, fructose, lactose), salt (sodium chloride). No artificial flavors.

GUARANTEED: For purity, freshness and labeled potency.

† Based on median % survivability of Digestive Advantage® vs. probiotic supplements and 20 probiotic yogurts in simulated gastric pH for 2 hours. Survivability and delivery of probiotic cells to the small & large intestines is one of several factors influencing overall product effect.

Always consult your pediatrician before giving your child dietary supplements.

NOTE: If pregnant, lactating or on prescribed medication, consult your physician before using this product.

Galactosemics – Consult your physician.

KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL, DRY PLACE.

Digestive Advantage®

THE PROBIOTIC THAT SURVIVES

Gas Defense Formula*

Helps Stop Intestinal Gas Before it Starts*

32 CAPSULES
DIETARY SUPPLEMENT

Directions

Adults: Take one capsule daily with water before problem foods. Some individuals may require taking two or more capsules daily depending on intake of problem foods.

Children 8 years & over: For children it is recommended that one capsule be opened and contents mixed into food or drink.

Upon initial use, it may take 7 to 14 days for you to feel the product working. Consistent, daily use is needed to maintain results.
