FAST ACTING LACTASE

*Lactase Enzyme**Natural Dairy Digestive Supplement***Helps prevent
symptoms of**

- Gas
- Bloating
- Diarrhea

**associated with
lactose
intolerance***Actual Size***180
CAPLETS***Single Serve Pouches: One Caplet Per Serving*

This product helps **PREVENT** the **GAS, BLOATING or DIARRHEA** that many people with lactose intolerance may experience after eating foods containing **DAIRY**.*

HOW DOES THIS PRODUCT WORK?

- Helps to prevent symptoms by breaking down milk sugar (lactose) and making dairy foods easier to digest.
- This product is **NOT A DRUG**, but a dietary supplement containing a natural lactase enzyme.
- This product works naturally and may be used by everyone ages 4 years and older.

WHY IS THIS PRODUCT BETTER THAN OTHER DAIRY RELIEF PRODUCTS?

- This product starts working quickly, so more milk sugar (lactose) can be broken down overall.**
- Starts working more than **TWO TIMES FASTER** than Ultra strength product.**
- This product is packaged in a convenient 1 caplet dose, in individual pouches that are easy to take anywhere.

HOW DO YOU USE THIS PRODUCT?

- Swallow one caplet with your **FIRST BITE** of dairy foods.
- You may adjust the dose if necessary to two caplets with your **FIRST BITE** of dairy foods.
- If you continue to eat dairy foods after 30-45 minutes, taking an additional caplet is recommended.

HOW OFTEN CAN YOU USE THIS PRODUCT?

- This product may be used every time you eat foods containing dairy. It can be used with every meal or snack, every day.

Consult your Doctor: if you experience any symptoms which are unusual or seem unrelated to the condition for which you took this product. Keep out of the reach of children.

DO NOT USE IF SINGLE-SERVE PACKETS ARE TORN OR OPEN.

Store at room temperature (below 77°F), but do not refrigerate. Keep away from heat.
