

SUGGESTED USE: As a dietary supplement, for optimal results on training days take 1 TBSP post-workout and 1 TBSP before bedtime. On non-training days take 2 TBSP(s) before bedtime. Shake well. No refrigeration needed, but may enhance flavor.

Warnings: Do not use if you are pregnant or nursing. Not intended for any persons under the age of 18. Seek the advice of your healthcare professional if you have any medical condition or are taking any medications. Discontinue use if you are experiencing any side-effects.

Keep lid tightly closed in a cool, dry place away from children.

Glutamine has been scientifically shown to be a poorly absorbed compound due to the "glutamine hungry" cells in the lining of the stomach. Therefore, vast amounts get trapped and do NOT get into your bloodstream in sufficient quantities to "feed" your muscles with its intense anabolic/anti-catabolic properties.

LG⁵ PRO™ utilizes a pharmaceutical liquid controlled delivery system powered by our pH-XACT™ technology that's truly at the leading edge of innovation. Now your gut doesn't stand a chance, and you finally get a powerful dose of glutamine exactly where you need it most — in your muscle cells.

If you're after faster recovery and growth... you want to feel fuller, harder, and crank up your immune system, then LG⁵ PRO™ is just right for you.

It's not how much you take,
it's how much you absorb.

pH-Xact™ delivery technology ensures optimal bio-availability of our formulas by giving them the precise pH levels necessary to rapidly shuttle nutrients to the bloodstream with maximum potency.

LG⁵ PRO™

GROWTH/RECOVERY

Dextro-Cyclodized™ Liquid Glutamine & Cell Volumizer

FEATURING:

pH-Xact™ Delivery Technology
▪ For maximum potency & bio-availability

Dextro-Cyclodized™ Glutamine & Amplifying Matrix
▪ Repair • Cell Volume • Preservation *

SUPPLEMENT FACTS:

Serving Size: 1 Tablespoon (15ml)

Servings per container: 31

Amount Per Serving:		%DV*
Calories:	10	
Calories from fat:	0	
Fat	0 g	0%
Carbohydrates	2.5 g	1%
Sugars	0 g	**
Sugar Esters	2.5 g	
Fiber	0 g	0%
Protein	0 g	0%

Active Ingredients:

Dextro-Cyclodized™ Glutamine	3000 mg	**
LG ⁵ Amplifying Matrix	1000 mg	**
(Consisting of Taurine, Glutamine-hydrochloride, Aspartic Acid, Ribonucleic Acid)		

Other Ingredients: a proprietary pH-Xact™ liquid-based delivery system which includes Pure Glycerol with purified water, glycerine, cycloamylose, natural flavors, citric acid, xanthan gum, FD&C Red #40 & potassium sorbate.

*Percent Daily Values are based on a 2,000 calorie diet. Your daily values may be higher or lower depending on your calorie needs.

**No %DV
