

**WARNING:** The ingredients in SORENZYME™ are 100% natural and non-toxic; however, because many of the enzymes in this formula have an anti-inflammatory, anti-coagulating effect, people taking any type of blood-thinning medications, aspirin, and/or non-steroidal anti-inflammatory drugs should seek medical advice from their physician before using. All users are advised to consult their physician before starting any dietary supplement and/or exercise program. Pregnant or lactating women should not use this product.

# Sorezyme™

## Soreness Recovery Enzymes

**Helps Muscle and Joint Soreness  
from Exercise\***

*Supports Immune System Function\**

600mg/120 Vcaps  
Dietary Supplement

**LABRADA**  
NUTRITION

- Helps muscle and joint soreness from exercise.\*
- Unique anti-catabolic formulation protects against post-exercise cortisol elevation.\* Cortisol is a stress hormone that eats away at muscle and promotes body fat.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Note: SORENZYME™ is NOT a digestive enzyme blend. SORENZYME™ contains unique enzymes in scientifically-based concentrations that have been shown to work on a systemic (whole body) level, to help reduce muscle and joint soreness from exercise.
