The Stauner Family of James Lake Farms

John and Nora Stauner purchased the organic cranberry marsh in 2006 in beautiful northern Wisconsin. The Stauners and their three children grow 64 acres of certified organic cranberries with five different fruit varieties.

MegaFood cares about doing things the right way – we refuse to take shortcuts, and we never compromise on quality or the things that matter. Since 1973, we have been going out of our way to source fresh and local foods from trusted farmers. We then make our wholesome supplements using our one-of-a-kind process to deliver the most authentic nutrition – much more than vitamins alone.
