

SUGGESTED USE: As a dietary supplement, take 1 TBSP 3 times daily preferably between meals. Shake well. No refrigeration needed, but may enhance flavor.

Warnings: Do not use if you are pregnant or nursing. Not intended for any persons under the age of 18. Seek the advice of your healthcare professional if you have any medical condition or are taking any medications. Discontinue use if you are experiencing any side-effects.

Keep lid tightly closed in a cool, dry place away from children.

Cholesterol-Free, LBA PRO™ is based on science, advanced manufacturing methods, extremely high-quality raw material sources, and pure beef. By using a selective process to extract only the highest quality amino acids, LBA PRO™ is an amino acid source that is quickly digested and absorbed into the bloodstream and muscle cells.

Prota-Lyn® EHP: LBA PRO™ also contains patent-pending Prota-Lyn® EHP ("Enzymatic Hybrid Protein"). This new, all-natural protein compound is engineered to provide even greater absorption and cellular growth support beyond using only beef-based amino acids.

By combining amino acids from both sources, the synergistic effect is one of the purest, fastest-acting protein sources known to man; all based on our advanced pH-Xact™ liquid delivery technology.

pH-Xact™
Delivery Technology

It's not how much you take,
It's how much you absorb.

pH-Xact™ delivery technology ensures optimal bio-availability of our formulas by giving them the precise pH levels necessary to rapidly shuttle nutrients to the bloodstream with maximum potency.

Protein	6 g	0%

Typical Amino Acid Profile Per Serving (Mg/6g Protein)			
Alanine	0.287	Lysine	0.522
Arginine	0.149	Methionine	0.150
Aspartic Acid	0.616	Phenylalanine	0.155
Cystine	0.127	Proline	0.310
Glutamic Acid	1.005	Serine	0.298
Glutamine	0.286	Threonine	0.404
Glycine	0.113	Tryptophan	0.086
Histidine	0.101	Tyrosine	0.234
Isoleucine	0.322	Valine	0.303
Leucine	0.629		

Active Ingredients:
Dextro-Cyclodized™ Amino Acids 6 g
(From beef extract & Prota-Lyn® EHP)

Inactive Ingredients: a proprietary pH-Xact™ liquid-based delivery system including purified water, glycerine, cycloamylose, natural & artificial flavors and color, sucralose & potassium sorbate.

*Percent Daily Values are based on a 2,000 calorie diet. Your daily values may be higher or lower depending on your calorie needs.

**No %DV
