Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take two (2) tablets in the morning with or without food, or as recommended by your healthcare practitioner. Natural Estrogen should be taken cyclically: three weeks on and one week off, beginning on the 5th day of the menstrual cycle for premenopausal women, and every day for postmenopausal women.

Those taking any estrogenic product should include as part of their diet cruciferous vegetables such as broccoli, Brussels sprouts, cabbage, and/or cauliflower. Women should also use a natural progesterone cream when taking this product.

CAUTION: Do not take in case of pregnancy, lactation, or estrogen-dependent tumors.

Store tightly closed in a cool, dry place.
