Why Six Star® Testosterone Booster Is the Smarter Choice

Six Star® Testosterone Booster is from the makers of MuscleTech®, America's #1 Selling Body Building Supplement Brand, so you know it's a powerful formula you can trust. Six Star® Testosterone Booster delivers a key ingredient shown in a human clinical study to amplify your body's natural testosterone production within the normal range. It even delivers a blend of ingredients shown to improve athletic performance.[▲]

Who Is Six Star® Testosterone For?

★ Fitness Enthusiasts ★ Athletes ★ Body Builders

What Are the Benefits of Six Star® Testosterone Booster?

Test subjects:

- ★ Stimulated free testosterone[▲]
- ★ Maintained peak testosterone to cortisol ratio[▲]
- ★ Enhanced training performance[▲]

Increase Testosterone & Training Performance

¹Six Star® Testosterone Booster is formulated with a precise dose of the mineral boron, which is shown in human clinical research to increase active (free) testosterone in just 7 days.[▲]

²Six Star® Testosterone Booster is also scientifically engineered with a unique, plant-based blend shown in a 7-week human clinical study to help maintain peak testosterone to cortisol ratio after an intense training regimen. Cortisol is a hormone released due to stress that can break down muscle tissue. Test subjects also enhanced performance as determined by a marker of training capacity.[▲]
