FLAVOR**Why Six Star® Whey Isolate Plus Is the Smarter Choice**

Six Star® Whey Isolate Plus is from the makers of MuscleTech®, America's #1 Selling Body Building Supplement Brand, so you know it's a premium formula you can trust. Whey Isolate Plus includes a protein source with one of the highest biological values that is easy to digest and absorb. It's undergone micro - and ultra-filtration to reduce the things you don't want (like fat and lactose) and retain higher concentrations of the things your body needs, like amino acids. Whey protein isolate is one of the purest sources of protein available today. Six Star® Whey Isolate Plus features whey protein isolate – these isolate proteins are filtered to be low in fat. Trust Six Star® Whey Isolate Plus for the best formula, best taste and best results!*

Who Is Six Star® Whey Isolate Plus For?

- ★ Active Men & Women
- ★ Strength Trainers
- ★ Athletes
- ★ Body Builders

What Are the Benefits of Six Star® Whey Isolate Plus?

- ★ Developed with instantized whey protein isolate that is easy to mix, digest and absorb*
 - ★ Delivers 14g of BCAAs (key building blocks of muscle), including 6g of leucine per 2 scoops
 - ★ Provides 8g of glutamine and precursor per 2 scoops
 - ★ Includes high biological value whey isolate for easy assimilation and a higher amino acid profile, gram for gram, than whey concentrate
 - ★ Helps you recover after workouts*
 - ★ Micro - and ultra-filtration whey to reduce fat, lactose and impurities
 - ★ Low in fat and 3g carbs
- See Supplement Facts for cholesterol content.

Rapid Amino Acid Delivery

Six Star® Whey Isolate Plus provides more branched chain amino acids and glutamine per serving than cheaper proteins. BCAAs are rapidly absorbed, help fuel skeletal muscle development and help reduce the amount of muscle breakdown.* Glutamine is the most abundant amino acid found in muscle tissue. Every scoop of Six Star® Whey Isolate Plus is loaded with glutamine and its precursor, as well as BCAAs.

Ultra-Filtered for Purity and Quality

To ensure a high standard of quality, Six Star® Whey Isolate Plus harnesses the power of Multi-Phase Filtration Technology. This technology is designed to enhance the purity of the whey protein in Six Star® Whey Isolate Plus by reducing fat, lactose and impurities. This advanced process is only used in premium supplements! Plus, Six Star® Whey Isolate Plus mixes instantly using only a spoon, with no clumping. With Six Star® Whey Isolate Plus, you can trust you're getting the building blocks your muscles can use to perform at their very best.*

Award-Winning Taste You Will Love

The American Masters of Taste, a prestigious panel of chefs and flavor experts, awarded Six Star® Whey Isolate Plus the Gold Medal for Superior Taste against all other value brands in America. Trust Six Star® Whey Isolate Plus for optimum performance and award-winning taste you'll love.

For Best Results, Stack With:

PRE USE 30 TO 45 MINUTES BEFORE WORKOUT

- Pre-workout powder engineered to enhance muscle performance, increase energy and get you pumped while you train.*

POST USE IMMEDIATELY AFTER WORKOUT

- Post-workout creatine supplement designed to build muscle, boost strength and enhance muscle performance.*

Ingredients: Protein Isolate Plus Blend (Whey Protein

Isolate, Whey Peptides, 67% Whey Protein Isolate, L-Leucine, L-Isoleucine, L-Valine, L-Glutamine), Whey Protein Concentrate, Natural and Artificial Flavors, Gum Blend (Cellulose Gum, Xanthan Gum, Carrageenan), Salt, Calcium Carbonate, Soy Lecithin, Sucralose, Acesulfame-Potassium.

Contains milk and soy ingredients. Processed in a facility that also processes wheat, egg, shellfish, fish oil, tree nut and peanut ingredients.

This product contains added amino acids (leucine, isoleucine, valine and glutamine), which are not included in the 30g of protein per serving shown in the Supplement Facts. 100% of the 30g per serving of protein comes from 100% pure protein.

How to Make the Perfect Whey Isolate Shake:

Tip: Try blending with ice, your favorite fruit, juice, peanut butter or anything else you enjoy for a delicious smoothie.

Directions: Mix 1 serving (1 scoop) in 6 to 8 oz. of cold water or skim milk, or mix 2 servings (2 scoops) in 12 to 16 oz. of cold water or skim milk, according to taste, in a glass or shaker cup. Use between major meals and before and after exercise. Read the entire label before use and follow directions provided.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

WARNING: Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program.

Note: To maintain product freshness, store in a cool, dry place (60°F to 80°F). This product is sold by weight, so some settling may occur. Shake container before use. Do not use if packaging has been tampered with.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Six Star® Whey Isolate Plus is manufactured according to cGMP standards, as is required for all dietary supplements.

• MuscleTech® is America's #1 Selling Body Building Supplement Brand based on cumulative wholesale dollar sales 2001 to present.
