# Executive Stress Formula™

A Dietary Supplement

**Douglas  
Laboratories®**

**120 Tablets**

## Supplement Facts

Serving Size 4 Tablets • Servings Per Container 30

| Amount Per Serving                                                      | %DV             |
|-------------------------------------------------------------------------|-----------------|
| Vitamin A (25% as Vitamin A Palmitate/75% [15,000 IU] as Beta-Carotene) | 400%            |
| Vitamin C (Ascorbic Acid)                                               | 1,000 mg 1,667% |
| Vitamin D-3                                                             | 50 IU 13%       |
| Vitamin E (as Vitamin E Succinate)                                      | 200 IU 667%     |
| Thiamine (as Thiamine HCl)                                              | 50 mg 3,333%    |
| Riboflavin                                                              | 25 mg 1,471%    |
| Niacin/Niacinamide                                                      | 120 mg 600%     |
| Vitamin B-6 (as Pyridoxine HCl/Pyridoxal-5-Phosphate Complex)           | 25 mg 1,250%    |
| Folic Acid                                                              | 800 mcg 200%    |
| Vitamin B-12 (on Ion Exchange Resin)                                    | 100 mcg 1,667%  |
| Biotin                                                                  | 300 mcg 100%    |
| Pantothenic Acid (as d-Calcium Pantothenate)                            | 150 mg 1,500%   |
| Calcium (from Calcium Citrate/Ascorbate Complex)                        | 300 mg 30%      |
| Magnesium (from Magnesium Aspartate/Ascorbate Complex)                  | 300 mg 75%      |
| Zinc (from Zinc Aspartate Complex)                                      | 20 mg 133%      |
| Selenium (Organic Selenium from Krebs† Cycle and Kelp)                  | 200 mcg 286%    |
| Copper (from Copper Amino Acid Chelate)                                 | 2 mg 100%       |
| Manganese (from Manganese Aspartate Complex)                            | 15 mg 750%      |

Other ingredient: Cellulose.

†Krebs = Citrate, Fumarate, Malate, Glutarate and Succinate Complex.

| Amount Per Serving                                                                                                                                                                                                                                                                                                                                                                                                                    | %DV          |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| Chromium (Organically bound with GTF activity—low allergenicity)                                                                                                                                                                                                                                                                                                                                                                      | 200 mcg 167% |
| Molybdenum (from Molybdenum Krebs†)                                                                                                                                                                                                                                                                                                                                                                                                   | 50 mcg 67%   |
| Potassium (from Potassium Aspartate Complex)                                                                                                                                                                                                                                                                                                                                                                                          | 75 mg 2%     |
| Executive Stress Proprietary Blend                                                                                                                                                                                                                                                                                                                                                                                                    | 500 mg *     |
| Ginkgo biloba Extract (leaf) (minimum 24% ginkgolivonoglycosides and 6% terpenes), Silymarin (seed) (from <i>Silybum marianum</i> ), Lemon Bioflavonoids, Brown Rice Protein Concentrate (hydrolyzed, digestibility 96%), Betaine HCl, L-Glycine, N-Acetyl-L-Cysteine, SOD/Glutathione Peroxidase (Young Wheat Sprouts), L-Methionine, Coenzyme Q-10, Proanthocyanidins (Red Wine Grapes), Glutamic Acid and L-Glutathione (reduced). |              |
| Citrus Bioflavonoid Complex                                                                                                                                                                                                                                                                                                                                                                                                           | 100 mg *     |
| PABA (para-Aminobenzoic Acid)                                                                                                                                                                                                                                                                                                                                                                                                         | 50 mg *      |
| Inositol                                                                                                                                                                                                                                                                                                                                                                                                                              | 25 mg *      |
| Choline (from Choline Citrate/Bitartrate)                                                                                                                                                                                                                                                                                                                                                                                             | 20 mg *      |
| Boron (from Boron Aspartate/Citrate Complex)                                                                                                                                                                                                                                                                                                                                                                                          | 1 mg *       |
| Trace Elements (from Sea Vegetation)                                                                                                                                                                                                                                                                                                                                                                                                  | 100 mcg *    |
| Vanadium (from Vanadium Krebs†)                                                                                                                                                                                                                                                                                                                                                                                                       | 25 mcg *     |
