

CONVENIENT TRAVEL SIZE

Petadolex® To Go

- Contains pure butterbur extract to support healthy blood vessel relaxation in the brain.*
- Uses a patented extraction method, ensuring valuable petasites compounds are captured.
- Also ensures that toxic levels of inherent compounds, such as pyrrolizidine alkaloids (PAs), are left out.
- Is tested for pyrrolizidine alkaloids, made possible by using this patented process (U.S. Patent #6,551,626).
- The butterbur extract contains two compounds, petasin and isopetasin, with bioactive properties.
- Petasin and isopetasin support healthy blood vessel tone.*
- Convenient 10 softgels size is perfect for on the go.

Recommendation: Take 3 softgels daily. If pregnant, nursing or taking any medications, consult a healthcare professional before use.
