Tieraona Low Dog, M.D., an internationally recognized expert in integrative medicine, has long been an advocate for wholesome nutrition, a healthy lifestyle and the sensible use of effective, high quality, and environmentally conscious dietary supplements. "I have partnered with MegaFood to blend the best of science and nature to create multivitamins designed to truly fortify your life." - **Dr. Low Dog**

MegaFood has been improving lives since 1973. We start with whole foods from trusted farm partners to craft each of our FoodState Nutrients™, delivering authentic nutrition - far more than vitamins and minerals alone. See how they're made at megafood.com/showme

FoodState Nutrients™ are made with whole foods to provide essential vitamins and minerals that are easy-to-digest and gentle on the body, even when taken on an empty stomach.
