CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish.

Omega-3 fatty acids are being recognized more and

more as critical elements of cardiovascular, nervous system, immune and skin health, nomo others. The best natural source of omega-3 latty acids is fatty fish which contains both eioosapentenation caid (EPA) and docosahexaenoic acid (DHA). Many people do not include adequate amounts of fatty fish in their dist include adequate amounts of fatty fish in their dist sourced from fresh cold waters ources and is tested for pesticides, PCBs, and heavy metals. Natural orange oil is added to provide a pleasant flavor:
