CVS Health™ Glucosamine HCl specialized formula combines Glucosamine with *Boswellia* and Vitamin D3, which helps to support joints.* Supported joints help to promote comfort and flexibility so you can continue to stay active throughout your busy day.* Glucosamine also helps to promote healthy joint cartilage, which can be affected by the natural aging process.*

Each serving is formulated with key ingredients such as Glucosamine, a key structural component in cartilage.* Vitamin D3, a potent and active form of Vitamin D, helps support bone health.* When taken as part of your daily supplement schedule, this formula matrix helps support the cellular components within the joints.*

Individual results may vary.
