Why Six Star® 100% Whey Protein Plus Is the Smarter Choice – 70% Better Than Regular Whey*

Six Star® 100% Whey Protein Plus is from the makers of MuscleTech®, America's #1 Selling Body Building Supplement Brand, so you know it's a powerful formula you can trust. Not all protein supplements are created equal. Six Star® 100% Whey Protein Plus is enhanced with core ingredients clinically shown to build 70% more muscle and strength than whey protein alone.* And unlike cheaper formulas, Six Star® 100% Whey Protein Plus is powered by ultra-filtered and instantized 100% whey protein for fast absorption and easy mixing. Trust Six Star® 100% Whey Protein Plus for the best formula, best taste and best results!

Who Is Six Star® 100% Whey Protein Plus For?

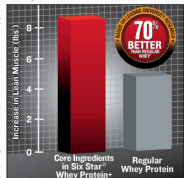

• Active Men & Women • Strength Trainers • Athletes • Fitness Enthusiasts • Body Builders • Endurance Athletes

What Are the Benefits of Six Star® 100% Whey Protein Plus?

- 100% whey protein plus mixes easily for your convenience
- Enhanced with a clinically proven muscle builder for better results*
- Provides fast-absorbing BCAAs (leucine, isoleucine and valine)
- Improves muscle performance in athletes*
- Features ultra-pure and instantized 100% whey protein
- Boosts strength for better workouts*
- Ultra-filtered 100% whey to reduce fat, lactose and impurities
- Helps you recover after workouts*

70% Better Than Regular Whey Protein for Gains in Lean Muscle

In a 6-week, double-blind study involving 36 test subjects with at least 3 years of weight training experience divided into 3 groups, subjects combining the core ingredients in Six Star® 100% Whey Protein Plus with a weight training program gained 70% more lean muscle than subjects using regular whey protein (8.8 vs. 5.1 lbs.) and increased their bench press more than subjects using regular whey protein (34 vs. 14 lbs.). These same subjects even gained 4 times the lean muscle as subjects using a placebo (8.8 vs. 2.0 lbs.). This formula provides 30g of protein from ultra-pure protein sources. Plus, it delivers creatine, leucine, isoleucine, valine and glutamine. See Supplement Facts for cholesterol content.

Award-Winning Taste You Will Love

The American Masters of Taste, a prestigious panel of chefs and flavor experts, awarded Six Star® 100% Whey Protein Plus the Gold Medal for Superior Taste against all other value brands in America. Trust Six Star® 100% Whey Protein Plus for optimum performance and award-winning taste you'll love.

For Best Results, Stack With:

PRE USE 30 TO 45 MINUTES BEFORE WORKOUT

- Pre-workout powder engineered to enhance muscle performance, increase energy and get you pumped while you train.*

POST USE IMMEDIATELY AFTER WORKOUT

- Post-workout creatine supplement designed to build muscle, boost strength and enhance muscle performance.*

Other Ingredients: 100% Whey Protein Plus Blend (Whey Protein Concentrate, Whey Protein Isolate, 97% Whey Protein Isolate, Hydrolyzed Whey Protein, L-Leucine, L-Isoleucine, L-Valine, L-Glutamine), Maltodextrin, Sea Salt, Natural and Artificial Flavor, Soy or Sunflower Lecithin, Gum Blend (Cellulose Gum, Xanthan Gum, Carrageenan), Calcium Carbonate, Caramel Color, Acesulfame-Potassium, Sucralose. Contains milk and soy ingredients. Processed in a facility that also processes egg, wheat, shellfish, fish oil, tree nut and peanut ingredients.

Six Star® 100% Whey Protein Plus is manufactured according to cGMP standards, as is required for all dietary supplements.

This product contains 2.5g of creatine per serving, which is in addition to the 30g of whey protein per serving shown in the Supplement Facts. Creatine in combination with whey protein has been clinically shown in a published study in the *International Journal of Sport Nutrition and Exercise Metabolism* to be more effective for building muscle than just whey protein alone.

How to Make the Perfect Whey Protein Shake:

Tip: Try blending with ice, your favorite fruit, juice, peanut butter or anything else you enjoy for a delicious smoothie.

Directions: Mix 1 to 2 servings (1 to 2 scoops) in 6 to 12 oz. of cold water or skim milk, according to taste, in a glass or shaker cup. Use between major meals and before and after exercise. Drink 8 glasses of water daily for general good health. Read the entire label before use and follow directions provided.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Note: This product is sold by weight, so some settling may occur. Shake container before use.
