

Minami Cardio is a premium supplement that delivers 915mg of Omega-3 nutrition in one convenient softgel with a clean, orange flavor and no fishy aftertaste.

Advanced Omega-3 research suggests a high concentration of EPA, along with DHA, can support cardiovascular health and help maintain healthy cholesterol and triglyceride levels.[†]

SUPER CONCENTRATED OMEGA-3

Minami offers one of the highest concentrated Omega-3 fish oils on the market, which means more Omega-3 nutrition, no fillers or saturated fats and fewer softgels to take.
