

Minami Platinum is a premium supplement that delivers 1,100mg of Omega-3 nutrition plus 1,000 IU of vitamin D3 in one convenient softgel with a clean, orange flavor and no fishy aftertaste.

Advanced Omega-3 research suggests a high concentration of EPA, along with DHA, can support cardiovascular health, cognitive function, mood and immune system health.[†]

SUPER CONCENTRATED OMEGA-3

Minami offers one of the highest concentrated Omega-3 fish oils on the market, which means more Omega-3 nutrition, no fillers or saturated fats and fewer softgels to take.
