Trans Fat 0g

Purified to eliminate mercury

Omega-3 fatty acids from Fish Oil are considered the "good" fats important for heart and metabolic health.* Fish Oil Mini Softgels contain eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help maintain triglyceride levels already within a normal range.*

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. One serving of Fish Oil Mini Softgels provides 900 mg total of EPA, DHA and other omega-3 fatty acids. See nutrition information for total fat and cholesterol content.

DIRECTIONS: For adults, take two (2) softgels daily, preferably with a meal. As a reminder, discuss the supplements and medications you take with your health care providers.

FREE OF: yeast, wheat, gluten, milk or milk derivatives, lactose, sugar, artificial color, artificial flavor.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of reach of children. Store at room temperature 15°-30° C (59°-86° F), tightly closed. Safety Sealed. Do Not Use If Seal Under Cap Is Cut, Torn or Missing.
