About Uncle Matt's Organic

As 4th generation citrus growers in Clermont, FL, the commitment to organic farming runs deep at Uncle Matt's! "We're passionate about growing a 'healthy generation' and believe that growing organic is the best way to farm," says Matt McLean. "We offer a line of bottled juices as well as organic citrus and produce."

YOU'LL LIKE THE WAY REAL FEELS

MegaFood has been improving lives since 1973. We start with whole foods from trusted farm partners to craft each of our FoodState Nutrients™, delivering authentic nutrition—far more than vitamins and minerals alone. We like the feel of fresh vegetables, the smell of real fruit. Of working with real farmers. Of being a small, honest, rooted-in-real New Hampshire company. We like the feel of being real, using real, making real. And we think you will too. See how our supplements are made at megafood.com/showme

Acute Defense provides key nutrients and plant compounds known to help strengthen your immune response when you need it most.* Made with FoodState® Vitamin C, Zinc and Black Elderberry, plus Echinacea, this formula contains high levels of plant compounds effective in supporting a quick immune response.*

- Black Elderberry Fruit has an extensive history of being used in the early stages of seasonal immune challenges.*
- Echinacea is an herb of the daisy family with strong immune-promoting properties.*
- Ginger Root is rich in immune supportive antioxidants.*

WE MAKE IT ALL IN NEW HAMPSHIRE SO YOU CAN FEEL AWESOME WHEREVER YOU ARE
