Directions: Take 1 serving (2 caplets) with a glass of water daily. Read the entire label before use and follow directions provided.

WARNING: For adults only. Do not use if pregnant or nursing. Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. In case of accidental overdose, call a doctor or poison control center immediately. Childbearing age women should limit daily vitamin A intake to 10,000 IU (excludes beta-carotene). If you experience a rash or any other allergic reaction, discontinue use and consult a medical doctor. Consult a medical doctor before starting a diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).
